**United Nations Global Compact
685 Third Avenue, FL 12
New York, NY 10017**

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to several initiatives that are in progress, which we would like to review and then report by Q2 of the year. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **29th of May 2020** at the latest.

Sincerely Yours,

**Simarna Singh
Co-CEO**
