To our stakeholders

The ownership of Molslinjen A/S has recently changed as Molslinjen A/s has been divested by Polaris Private Equity to EQT Infrastructure.

As a consequence of this change of ownership the Board approval of the annual (financial) report 2020 for Molslinjen A/S has been postponed.

As our CoP report is linked to the annual report, we can not publish the report until after the approval of the annual report 2020.

We hereby ask for an extension period in order to be able to post a CoP report that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new CoP report will be posted on the UN Global Compact website by June 18, 2021 at the latest.

Yours sincerely
MOLSLINJEN A/S
