

Billund, Denmark, 15 March 2021

To our stakeholders,

GRACE LETTER

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to minor delays in the release of our annual report, which contains our COP, we hereby ask for an extension period. Our new COP report will be posted on the UN Global Compact website by 19 April, 2021.

Best regards,
