To our stakeholders,

After compliments,

Subject: Deadline Extension Request

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We remain fully committed to the UN Global Compact; however, due to our resources being fully employed in our response to the Coronavirus pandemic, we will delay posting our COP for this year.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 15, 2021 at the latest.

Kind regards,

For Petroleum Development Oman LLC.
