Reg. No. 75 27 20 14

15/03/2021

To our stakeholders,

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Egmont is late in posting our COP report due to the publishing of Egmont's financial statement which will be published in week 12. Egmont's COP report shall be published at the same time in accordance with Danish law.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Egmont's 2020 COP report will be posted on the UN Global Compact website by 26 March 2021 at the latest.

Kind regards

Helle B. Fischer
