To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are delayed in submitting our COP due to our enhanced reporting efforts this year. For the first time, we are producing a complete CSR report this year to provide our stakeholders with greater insight into the incorporation of sustainability throughout Arabesque.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by Friday 25<sup>th</sup> June 2021 at the latest.

Sincerely yours,

Mr. Ciaran McCale

Head of Media and Communication
