# President Statement of continued support

Dear Mr. Secretary General,

I am pleased to confirm Milal Heart Foundation continued support for the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Milal Heart Foundation is dedicated to driving improvements in responsible and ethical business practices in 23 countries.

Also, we have supported more than 4,000 cardiac surgery patients around the world.

We recognize the vital role that the UNGC plays in advancing sustainable development across the global business community.

As a non-business signatory we will continue to promote the values of the UNGC with our members.

The Communication of Engagement (COE) below, outlines the actions and outcomes that our organization has taken over the last two years to support the UN Global Compact and its Principles.

We welcome any feedback.

Your sincerely,

Jeongjae LEE

President of Milal Heart Foundation

## I . Human rights

1. Businesses should support and respect the protection of internationally proclaimed human rights;
2. Make sure that they are not complicit in human rights abuses.

- To respect the right of life: *Cardiac surgery*

Milal Heart Foundation has supported  
more than 4,000 cardiac surgery in 23 countries  
and has MOU for cardiac surgery

- To protect the minimum rights to lead a human life and survive: *House building*

Milal Heart Foundation built  
total 22 houses for Cardiac surgery children

Philippines: 3 / Vietnam: 19

No.21 House building

No.22 House building

## II. Labour

3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
4. the elimination of all forms of forced and compulsory labour;
5. the effective abolition of child labour; and
6. the elimination of discrimination in respect of employment and occupation.

- *To promote children going to school instead of workplace*
- *To cultivate global leaders for children who had cardiac surgery*
- *To support children who could barely afford the educational expenses*

: *Scholarship Program*

Invited to Korea for study and obtained master's degree and doctorate degree

Students that are studying in local

- *To provide educational opportunities for children: Milal School in slums area, India*

- The establishment of year: 2008

- Total No. of student: 270 (Kindergarten course: 120 / Elementary course: 150)

· Total No. of teacher: 12

- Subjects: English, Mathematics, Social, Oriya, Hindi, Ethics, Arts and Physical

### III. Environment

7. Businesses should support a precautionary approach to environmental challenges;
8. Undertake initiatives to promote greater environmental responsibility;
9. Encourage the development and diffusion of environmentally friendly technologies.

- To help turn food waste into farm input: *Food Waste Disposal (Biodegradable)*

- To reduce the consumption of fresh raw materials  
: *Separate trash for Recycling*

- To reduce disposable waste  
: *Use a personal tumbler and tableware*

- To save energy and protect the environment  
: *Employees use public transportation when they commute and go to work outside*

## IV. Anti-Corruption

10. Businesses should work against corruption in all its forms, including extortion and bribery.

- To the transparent progress of the budget: *Write an annual report on the website*

### Transparency

- All expenses recorded by filing.
- Budget reviewed by the board of directors.
- Annual donation amount and usage performance statement were written on the website including the audit report ➡ [www.lovemilal.com](http://www.lovemilal.com)

- To hear the opinions of employees: *Monthly meeting*

- Every staff can offer proposal through monthly meeting.

- To create a fair and clean society through a corporate anti-corruption environment: *Participate in the anti-corruption pledge*

### 반부패 서약서

우리 기업은 유엔글로벌콤팩트 한국협회와 한국사회책임투자포럼이 발족한 '기업 청렴성 소사이터티'의 기업 반부패 환경조성을 위한 취지와 활동에 공감하며, 공정하고 청렴한 사회를 만들고, ESG에 기반한 기업 경쟁력 강화를 위한 반부패 환경조성을 위해 노력할 것을 다음과 같이 서약합니다.
