To ourstakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and publishing our COP report due to the health emergency that has hit the world and in particular Italy due to covid-19. Unfortunately, working in smart working we are not able to have all the data necessary to draw up the report. Hoping to be able to return to the office next month, we ask for extra time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 2021/07/05 at the latest.

Sincerely yours,

CEO
