UNGC COP – GRACE LETTER

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we realised we would like to not go with the "easy way out" i.e. with the express CoP for SMEs but would like to try and communicate some more in-depth information on focusright's efforts and progress regarding the principles of the UN Global Compact.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 23. June 2021 at the latest.

Yours sincerely,

Matthias Leisinger
