Statement of Continued Support by the President
Period covered by this Communication on Engagement:
From: 26 March 2021 to 25 March 2023

To our Stakeholders:

I am pleased to confirm that amfori, reaffirms its support to the UN Global Compact and its ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In the last two years amfori has promoted sustainable trade and development amongst businesses via, amongst others its annual [Unleash Opportunity](#) Conference, positions on [Deforestation](#), [Human Rights Due Diligence](#), [Responsible Purchasing Practices in time of Covid-19](#) and the [SDGs](#). Key partnerships with UN Women, IOM, and UNFCCC have further strengthened amfori's position and leadership in these areas. Furthermore amfori's Danish chapter year has also signed on to the Compact to extend our local activities beyond Belgium to Denmark.

Please find linked our last two annual reports – [Annual Report 2020](#) and [Annual Report 2019](#) that provide information on our engagement with the Global Compact. We welcome feedback on its contents.

In these, actions that support the UN Global Compact and its Principles as suggested for an organization like ours are detailed. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Christian Ewert
amfori President
