

30 March 2021

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of Chairman and Managing Director statements of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our 2020 Annual Sustainability Report is in development and we scheduled to complete before end of April 2021.

So, our new COP report describing our Group's efforts and progress to implement the principles of the UN Global Compact will be posted on the UN Global Compact website by mid of May 2021 at the latest.

Sincerely yours,

Fatima Ahmed Saeed Al Naboodah
