

6 April 2021

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report. During the spring 2021 we are participating in the SDG Ambition program by the UN Global Compact, and the program continues until June 2020. During the program we are also putting together Solita's sustainability report, which we aim to use as a COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 14 July 2021 at the latest.

Sincerely yours,

Mr. Ossi Lindroos  
CEO & President
