

Ancona (Italy), 6th April 2021

To our stakeholders

Our company recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the reorganization of our company, caused by the pandemic in progress, which forced us at the beginning of 2021 to give priority to the redefinition of the organization chart and the change of duties of many key company figures.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by June 15, 2021 at the latest.

Sincerely yours,

Simone Francesco Matteo Fedeli

CEO
