Dear Sir / Madam

Requested extension for submission of COP to 30th May 2021

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

We would be grateful if you would permit us an extension of the submission deadline to 30th May 2021. This would enable us to submit the most current information contained in our Annual Report and Accounts, which is due for release at the beginning of May.

Thank you for your accommodation in this matter.

Yours sincerely

For and on behalf of Petrofac
