FYNO

7 April 2021

To our Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the person involved had resigned. She had not done a proper handling over of the whole system. This created problem for the new guy taking over. Please allow us the grace period of 3 months to rectify the whole system.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 13/7/2021 at the latest.

Sincerely yours,

Mr Daniel Ng
