To our stakeholders:

BBVA joined the United Nations Global Compact in 2002 and I am pleased to confirm that the bank reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In our 2020 Annual Report attached, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication

All our actions are guided by our purpose: “to bring the age of opportunity to everyone”. At BBVA we are committed to be an engine of opportunities, and to have a true impact on people’s lives, businesses and society as a whole.

Sincerely,

BBVA
