685 Third Avenue, FL 12

Dear Sir,

We are late in creating, sharing and posting our COP report due to impact of Covid19, we work shorter considering public health and social measures and how employers protect their employees in the workplace and other related factors. So recognizing the requirements of participation it would be too late to prepare COP and submit you.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 5th of July, 2021 at the latest.

Considering our genuine request we would be appreciative.

Sincerely yours,

Tofan Padhiali
Compliance manager
