To our stakeholders: Namaste, Greeting of the Day.

Our Sincere Wish and Prayers for Safer and Healthy World Again.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen and unfavorable working environment within the country due the ongoing pandemic (CoVID19). Our efforts and concentration are to adhere to the government restrictions and contribute maximum towards the Sustainable Development Goals. Also, our commitments are to ensure minimize the exposure in the times of current crises.

Once again assuring our stakeholders of the continued support for collaborative efforts and solidarity in commitments given by our organization under the leadership of our CEO.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 14/06/2021 at the latest.

Sincerely yours,

Authorized Signatory,
Nektor Engineers and Project Consultants,
