3Bridges Community

Dear Kylie,

Thank you for providing 3Bridges with the opportunity to continue our ongoing commitment and dedication to the UN Global Compact Network. We are honoured to be a part of such an invaluable network of people who place corporate sustainability at the forefront of their business goals.

As a registered Charity based in Sydney, NSW, Australia, we are proud and committed to aligning our organization with the universal principles on human rights, labour, environment and anti-corruption. We have a wide network of people within our organisation and a very significant reach throughout Sydney to promote the values of the UNGC in all areas of our work.

Despite the challenge that was 2020, and the ongoing management and structural changes within 3Bridges, we have maintained our commitment and efforts to achieve the UNGC goals. We appreciate your time reading our letter of recommendation and our COE report and hope to continue improving our organisations mission.
