

Genay, le 27/04/2021

To our stakeholders:

We are behind schedule in creating, sharing and publishing our COP report due to the current situation related to COVID19 and the partial layoff of a large portion of our workforce not allowing us to complete our CAP report in the allotted time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by [enter date here, max. 90 days from COP deadline] at the latest.

Sincerely yours,

Erick Jacquet-Francillon  
CEO
