Subject: Request for deadline extension for submitting COP

Dear,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the global Covid-19 pandemic and all consequences this has brought. We have been unable to prepare our submission before the deadline of April 30, 2021.

We hereby ask for an extension period of three months in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by July 31, 2021 at the latest.

Sincerely yours,
