

Ref. No. CAI 0098/2021

27th April 2021

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to the COVID pandemic in Thailand, which is currently going through the 3rd wave, we are facing difficulties in information gathering to satisfy COP reporting requirements. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by [25th July 2021, max. 90 days from COP deadline] at the latest.

Sincerely yours,
