To our stakeholders:

Subject: Request for extension for submission of COP (Communication on Progress)

We, at the outset, thank you for the continued support extended to us at Apparel Group. We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a Statement from the Chief Executive Officer, expressing and assuring his continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

There have been delays in creating, sharing and posting our COP report due to unforeseen circumstances, including the current pandemic, which you will kindly appreciate.

We, therefore, request you to extend the period up to July 31, 2021, in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. We assure you that we shall post our new COP report on the UN Global Compact website on or before 31st July 2021.

We once again thank you for your patronage.

Yours faithfully,
For Apparel Group

Chief Executive Officer
Neeraj Teckchandani
