United Nations Global Compact

Dear Stakeholders,

Re: Oil Search Limited's Communication of Progress against the United Nations Global Compact for the year ended 31 December 2020

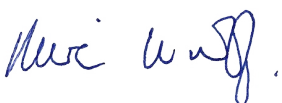

The Oil Search 2020 Sustainability Report reflects our commitment to a sustainable future for all our stakeholders and provides a timely communication of our progress towards embedding the principles of the United Nations Global Compact.

We have an unwavering commitment to be a responsible development partner. Our ethos to create shared value for all stakeholders drives our continual focus to deliver positive social, environmental and sustainability outcomes. This values-driven approach is an essential part of who we are as a company and we believe it differentiates Oil Search.

I am pleased to share with you the results of our 2020 Sustainability performance across all seven areas of our sustainability model – Climate, Environment, Community, Health & Safety, People, Integrity and Economic Sustainability.

As always, our actions and approach to continuous improvement will be guided by our core values and our commitment to safety and long-term sustainable value creation, in line with the principles of the UN Global

Yours faithfully,

Dr. Keiran Wulff
Managing Director Oil Search Limited
