Paris, May, 03rd 2021

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

A draft version of the 2020 COP report has already been created. Nevertheless, we will need more time due to longer exchanges with some of our departments in charge of rereading it. As a consequence, we will be late in sharing and publishing our COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August, 9th 2021 at the latest.

Sincerely yours,

Gabrielle PETILLON
Head of Legal, Risks and compliance Group
