Grace Letter Habegger AG

Dear stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the consequences of the pandemic on our company being one of the largest player in the event business in Switzerland. Our current focus is to get through the crisis without major damage. We are highly committed to The Global Compact and will make sure that we can deliver the COP in the given additional time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30th of June 2021 at the latest.

Sincerely yours,

Mr. Jürg Schwarz
CEO
Habegger AG

Mr. Lukas Sramek
