Grace period letter

4th of May 2021

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to heavy fluctuations in our industry due to the covid-19 pandemic, which has forced us to spend all of our internal resources in succeeding with our recurring orders.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 4th of June 2021 at the latest.

Sincerely yours,

Mads Bisgaard Christensen
CEO
