**For Global Compact**

Dear,

I am sending this letter to request an extension of time to send your Communication of Progress (CoP) to the UN Global.

My justification is because, at the beginning of this year, I was approved in Post-Graduation to hold my PhD in Sustainability at the University of São Paulo (School of Arts, Sciences and Humanities).

After a period of adaptation to reconcile the studies and my company Phins \* (signatory of the Global Compact), we can organize ourselves and our Sustainable Projects are in operation.

Thank you in advance for the kindness of understanding and validating the extension.

Best regards.
