

## TO OUR STAKEHOLDERS

May 11, 2021

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of our Communication on Progress (COP) that comprises of a CEO statement of continued support for the UNGC, a description of practical actions with regard to The 10 Principles and a measurement of outcomes or expected outcomes.

We are delayed in creating, sharing and posting our COP report as we are awaiting the completion of a data report which we wish to share. We hereby request an extension in order to fill a complete and accurate COP showing beneficial data and our commitment to the UNGC and our alignment with the 17 SDGs.

Sincerely yours,

Ms. Adrienne Doolan
