Statement of continued support

I am pleased to confirm that Itera Norway reaffirms its support of the Ten Principles by the United Nations Global Compact, in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual communication on progress, we describe our actions to continually improve the integration of the global compact and its principles into our business strategy, culture, and daily operations. We also commit ourselves to sharing this information with our stakeholders using our primary channels of communication.

Regards,

Itera
