To our stakeholders and UN Global Compact Community,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a communication in progress (COP), that comprises of a CEO statement of continued support for the UN global compact, a description of practical actions with regard to the UN Global Compact principles and measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to COVID-19 pandemic. We hereby ask for an extension in order to be able to post a COP that describes our company's effort and progress to implement the principles of the UN Global Compact. Our new report will be posted in the UN Global Compact website by June 11<sup>th</sup>, 2021 at the latest.

Sincerely,
