To our stakeholders:

We recognize that a key requirement for participation in the UN Global compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard of the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are finalizing the COP report but we will not be able to do it in the established term.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August, 31th, at the latest.

Sincerely yours,
