Communication on Progress (COP)

June 1, 2021

Himalayan General Insurance is pleased to confirm its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment, and Anti-Corruption. We have strict guidelines as well as measurement of outcomes in place. In our 2020/21 Corporate Sustainability Report below, we describe our actions to continually improve the integration of the Global Compact and its principles into our business, strategy, culture, and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

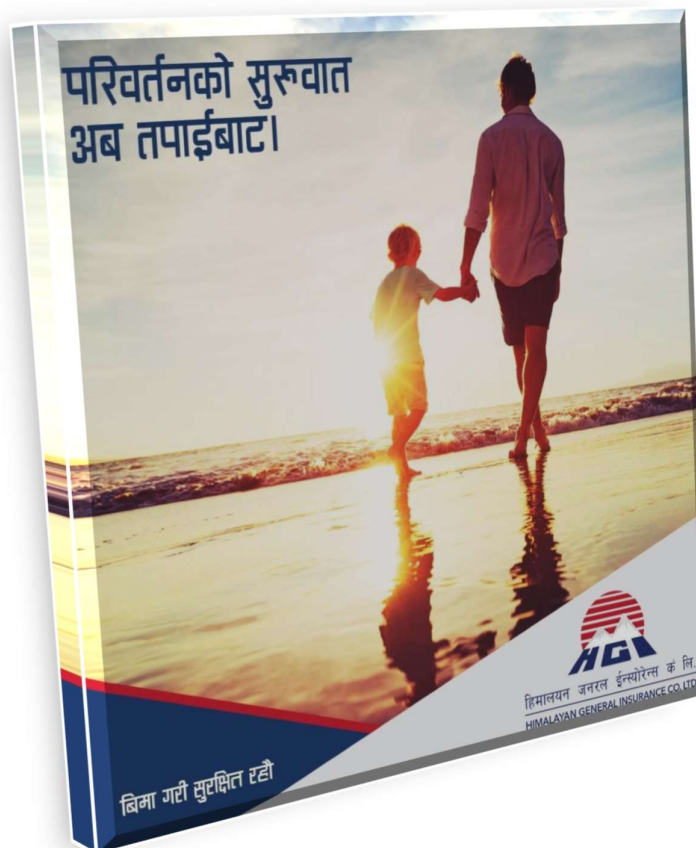

2020/21 Corporate Sustainability Report

About Himalayan General Insurance

Himalayan General Insurance Co. Ltd. (HGI) commenced operations in December 1993 to write insurance policies after obtaining license from the Insurance Board of Nepal to underwrite General Insurance (Non-life). We worked with Swire Blanch Asia Ltd., Singapore, through a technical service agreement for the initial five years in order to arrange reinsurance with the world's best reinsurers.

Spanning a history of 27 years, we have been providing clients with stability and confidence of security, and our shareholders with consistent returns. Through our customer-driven service packages, personalized service delivery, and technology-focused operations, our clients enjoy value and benefits that are unparalleled in the industry.

While HGI is widely acknowledged for its market leadership in claims services, it services a large and diverse product range and client base. Our clients span all levels of society – business corporations, development organizations and individual customers.

HGI and CSR

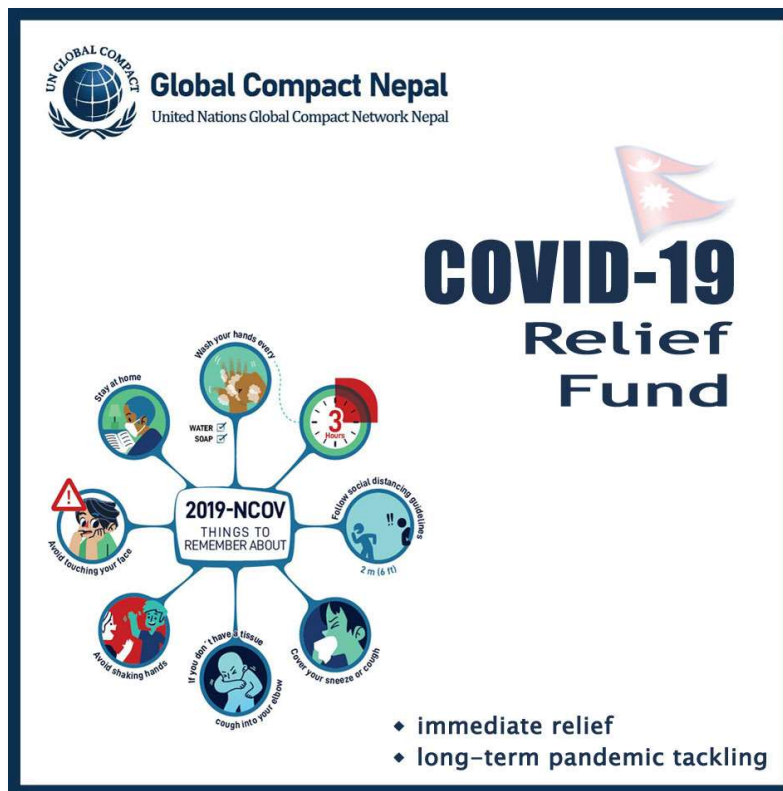

HGI has been associated with Global Compact Nepal since July 5, 2018. We are pleased to confirm that HGI reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

We have embedded CSR activities for the period of June 2020 - June 2021 majorly to cater COVID related issues that describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

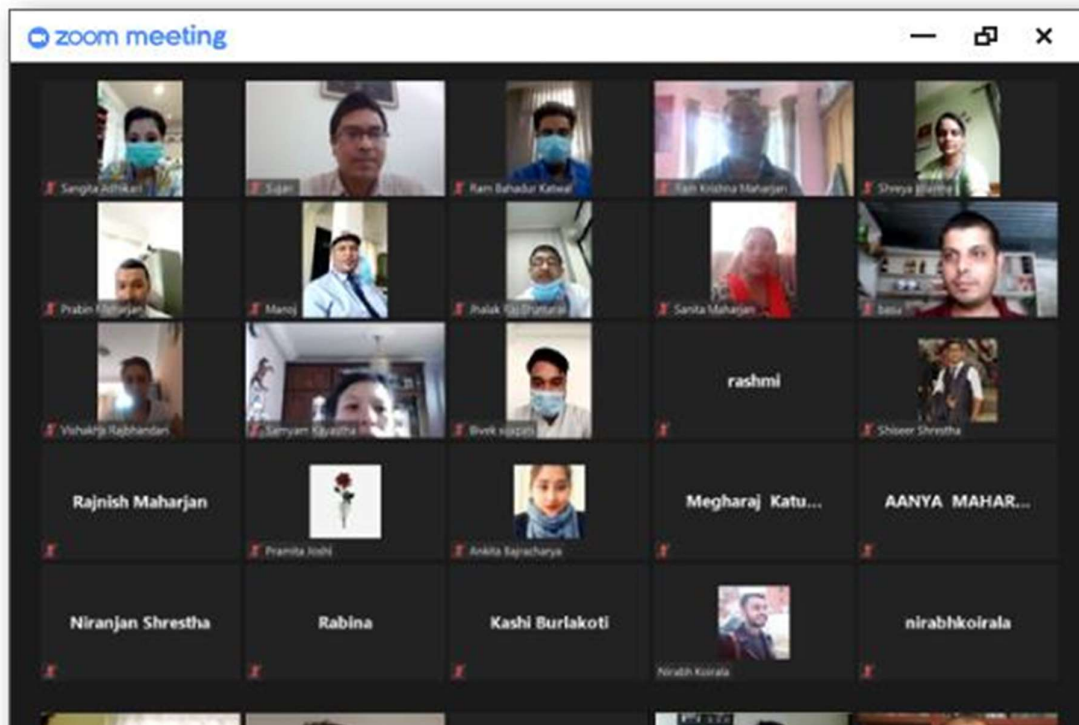

Contribution to COVID-19 Relief Fund of GCN

HGI contributed Rs. 1,00,000/- on part of making COVID relief possible during the hard times of COVID crisis. It seemed that the people were somewhat relaxed after the restrictions were removed and businesses reopened. Nonetheless, we tried making a small contribution to fight against COVID crisis on rise due to carelessness of the people which was clearly reflected by the omnipresent images and video footages of seas of people attending social gatherings without wearing masks and neglecting the social restriction norms.

Interaction Session on COVID-19 with Dr. Anup Subedee

The situation due to the pandemic has affected our life beyond fathomable. The cases are on rise, but we have no other option than co-existing with it at the moment by being self-aware and self-cautious. As we are trying to adapt and assimilate in this new normal, it is also important that we are self-aware to abide by all health instructions and precautions to keep ourselves and our family members safe.

In this regard, HGI conducted a session on September 4, 2020 as a part of HGI CSR on “Interaction Session on COVID-19 with Dr. Anup Subedee” exclusively for the employees of HGI and their family members. Dr. Subedee is a renowned Senior Consultant of General Medicine & Infectious Diseases Internal Medicine, Infectious Diseases, Tropical & Travel Medicine, Residency in Internal Medicine. He is currently associated with HAMS Hospital in the department of Internal Medicine & Infectious Diseases. The Zoom session 2 hours from Dr. Subedee was followed by Q&A session. The participants had a very good interaction and knowledge sharing on the same.

Contribution of PPE to Kathmandu Model Hospital

HGI contributed 100 sets of PPE to Kathmandu Model Hospital on Jun 3, 2021 as a helping gesture towards the front line workers.

Blood Donation Program

HGI office – Birtamode successfully organized a Blood Donation Program on March 27, 2021. A total of 100 participants were reported in the program. HGI has been organizing Blood Donation Program as a part of continuous CSR since the year 2018.

Distribution of mask and hand sanitizers to Nepal Traffic Police

HGI put forth COVID-19 gestures for road traffic police in our country by handing over mask and hand sanitizer. HGI handed over 1,600 pcs of masks and 25 liters of sanitizer to Nepal Traffic Police on April 27, 2021.
