

11<sup>th</sup> June 2021

Dear All,

We recognize that a key requirement in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report as Dialog's 13<sup>th</sup> annual Sustainability report is currently in the process of being developed. The report will be available in the public domain by 25th June 2021.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 25th June 2021, at the latest.

Sincerely,
