Secretary General – United Nations

New York, NY 10017, USA

Dear Mr Secretary General,

I am very pleased to confirm that Apex International Company Limited supports the principles of the Global Compact on Human Rights, Labour, Environment and Anti-corruption. With this communication, we express our intent to implement those principles and are committed to establishing the Global Compact with its principles being part of the strategy, culture and day-to-day operations for our company, and to engaging in collaborative projects which advance the broader development to our stakeholder and the entire public.

We do recognize that the key requirement for participation with the Global Compact is a must annual submission for COP (Communication on Progress) that describes our Company's efforts to implement the ten principles. We make sure to support public accountability and transparency with a strong commitment to report on progress for further opportunities by joining the Global Compact annually getting prepared according to Global Compact COP policy and regulation.

We are still surviving throughout with this pandemic situation of Covid-19 and all exposures which delayed into our businesses. We, Apex International Company Limited, will be strong enough to pass through all better situations and exposures with all supports and guidelines of United Nations Global Compact.

Yours Sincerely,

Ko Ko Latt

GEO Chairman
