

14th June 2021

**CEO statement of continued support for the
UN Global Compact and its ten principles**

Musti Group has been committed to UN Global Compact since year 2013 and we are still developing our business in line with the ten principles, continuously developing and refining our Responsibility approach in every aspect of our business.

We are happy to continue to be committed to UN Global Compact going forward.

/David Rönneberg, CEO of Musti Group
