To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due to an extraordinary COVID-19 situation in our company. The COVID-19 situation has been difficult and severe for our company and due to urgently needed and necessary layoffs in the company the lack of time has been an issue for our remaining employees.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 17 September 2021 at the latest.

Sincerely yours,

Mr. Lars Brøndum Petersen
CEO
