

June 11, 2021

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are purposefully delaying the creation and posting of our COP report due to ongoing efforts to support publication of our inaugural corporate social responsibility (CSR) report later in 2021.

We hereby ask for an extension period to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by November 1, 2021 at the latest.

Sincerely yours,

Tony Hunt
