We are late in creating, sharing and posting our COP report as at this time we are still processing and finalizing the information collected from the bank respective departments, aiming to present accurate and detailed report for your concigeration.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the 30 of August 2021 at the latest

Sincerely yours,
