Re: Grace Letter—Communication on Engagement

To Whom this May Concern,

I am writing to request a 90 day grace period for submitting our Communication on Engagement. Although our program remains committed to the Ten Principles, and actively continues to incorporate them into our research, training, and outreach, we have been working remotely for the duration of the pandemic and are not coming back to campus until late August. This has put a strain on many of us for getting this sort of administrative paper work completed, though it has in no way reduced our efforts surrounding the Ten Principles. It will be no trouble to submit our COE within the requested 90 day window. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Deborah E. Rupp', written over a horizontal line.
