

## CONSOLIDATED CONTRACTORS INTERNATIONAL COMPANY (SHARJAH BRANCH)

A MEMBER OF CONSOLIDATED CONTRACTORS GROUP OF COMPANIES

CONTRACTORS FOR ALL ENGINEERING WORKS

June 29, 2021

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes of expected outcomes.

We are late in creating sharing and posting our COP report due to the fact that we are currently going through restructuring process of the activities related to our Sustainability Initiatives that will have an impact on the presentation of our COP.

We hereby ask for an extension period in order to be able to post a COP that describes our Company's efforts and progress to implement the principles of the UN Global Compact and SDGs. Our new COP report will be posted on the UN Global Compact website in the mid of August 2021 at the latest.

Sincerely yours,
