

June 29th, 2021

To our stakeholders:

We recognize that a key requirement for participation in the United Nations Global Compact is the preparation and annual publication of a Communication on Progress (COP) that includes a statement of continued support for the Global Compact, a description of practical actions in relation to the ten principles of the Global Compact, and a measurement of current or expected results.

This year, *Coordina Organización de Empresas y Recursos Humanos S.L.* will not be able to meet the deadline for communication and publication of our COP due to the increased workload produced by the large number of projects that we are finishing right now.

We hereby request an extension of the deadline so that we can send a COP outlining our company's efforts and progress in implementing the principles of the Global Compact.

Our COP report will be posted on the Global Compact website no later than October 7th 2021.

Sincerely,

Mr. Manuel Quílez Pardo

Partner Director
