Communication on progress 2021; Grace period letter

Dear Sirs or Madams,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COP report for reporting period June 2020 to June 2021 due to organizational changes that delay checking and approval the current COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 31st, 2021) at the latest.

Sincerely yours,

Oliver Bussick
Managing Director
