

REF. 6-01/06/2021

29-June-2021

**To our stakeholders:**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the COVID-19 lockdown that has paralysed travel and work in our organization and nation. We are still working on our **Wampa 2030 Strategy** of mobilizing 1000 Ambulances in fleets of 10 vehicles in support of the last mile of care.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **30-August-2021** at the latest.

Sincerely yours,
