To our stakeholders:

COMMUNICATION ON PROGRESS

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Unfortunately, some of our Corporate Social Responsibility projects and programs in furtherance of the UN Sustainable Development Goals which we would want to be included as part of our COP for the period July 2020- July 2021, are still ongoing and will not be concluded before the 8th of July 2021.

To this end, we hereby ask for an extension period, to enable us post a comprehensive COP that adequately describes our efforts and progress in implementing the principles of the UN Global Compact.

Our COP report will be posted on the UN Global Compact website by 8th August 2021 at the latest.

Yours sincerely,

Uche Okoronkwo
