

7 July 2021

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the preparation and annual publication of a Communication on Progress (COP) that includes a statement of continued support for the Global Compact, a description of practical actions in relation to the ten principles of the Global Compact, and a measurement of actual or expected results. This year, Europastry will not be able to meet the deadline for communication and publication of our COP due to submission deadlines. We hereby request an extension of the deadline so that we can submit a COP that describes our company's efforts and progress in implementing the Global Compact principles. Our COP report will be posted on the Global Compact website by 7 October.

Yours sincerely,

Marta Cortés, Marketing Director
