Dear Mr. Secretary-General,

I am pleased to confirm that Prometeon Tyre Group reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, Prometeon Tyre Group describes actions in order to continually improve the integration of the Global Compact and its principles into its business strategy, culture and daily operations, as detailed within the 2020 complete Annual Sustainability Report of Value Chain approved by the Board of Directors of Prometeon Tyre Group Srl.

What Sustainability means at Prometeon Tyre Group: ***“The development that meets the present need without compromising the capacities of future generations”***.

Prometeon Tyre Group stated that: *“The achievement of goals that are able to project us towards a better and more sustainable future represents a crucial starting point for anyone with the ambition to develop successful business activities and pursue effective business strategies even in the long term. Precisely for this reason we are particularly proud to have joined the Founders of the Global Compact Network Italy Foundation and are eager to test ourselves to build the foundations for a more sustainable future”*.

Prometeon Tyre Group explores the Sustainable Management Model with governance tools to support maintenance and creation of values, relationships with Stakeholders and related connection with the development of financial, productive, intellectual, human, natural, social and relational capitals. By incorporating the Ten Principles of the UNGC into strategies, policies and procedures, and establishing a culture of integrity Prometeon Tyre Group is not only upholding its basic responsibilities to people and planet, but also setting the stage for long-term success.

Starting from September 2020 Prometeon Tyre Group became formally a Founder Member of the United Nations Global Compact Network Italy. With this new status, Prometeon Tyre

Group is committed to contribute to the realization of the Foundation's goals participating to the institutional life implementing the planned initiatives.

During the COVID-19 pandemic period Prometeon Tyre Group provided safety measures in all the countries where the Company operates. Specific guidelines have been defined and communicated to the countries where the Company operates, in order to sensitize and guarantee a safe work adopting all safety measures taken by the Company.

Moreover, Prometeon Tyre Group has joined forces to support workers, communities and businesses affected by the COVID-19 pandemic. In fact, The Company immediately took action for the health of people who are human capital and for the protection of the company's assets. The Company supported different Non-Governmental Organization through several donation campaign and activities aimed to support the external community.

Sincerely yours,
