Subject: Adjustment request

Dear United Nations Global Compact Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We want to align our COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted to November 1st.

We are committed to providing transparent communication on progress and positive sustainable change through our products, services, workforce, collaboration and more.

Sincerely yours,
