To our stakeholders:

*We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication On Progress (COP) that comprises of a CEO Statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.*

*We are late in creating, sharing and posting our COP report due to the comprehensive reorganization of the Bank that led to a slower collection of the necessary information that we need for an in-depth report. We are aware of the importance of adequate reporting on such important topic.*

*We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.*

*Our new COP Report will be posted on the UN Global Compact website by [enter date here, max. 90 days from COP deadline] at the latest.*

*Sincerely yours,*

*Ms Marijana Smiljanić*

*Head of Communications Department*

*Crédit Agricole Serbia*
