

Zagreb, 2021-7-28

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to recent change of ownership of a company and a very recent changes in authorized representative we hereby ask for an extension period in order to be able to post COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on UN Global Compact website by 2021-10-28 at the latest.

Sincerely,
Marijana Grubešić
CSR Coordinator
